EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, page 10, line 14, after "reticle", cancel ---11---, and insert ---16---.

The above amendmend corrects a typographical error. There is no element "11" in figure 1, but there is an element 16. And page 27, line 7, of the specification identifies element "16" as a reticle.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Reasons for allowance for independent claims 1 and 12 were given in the previous office action.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
